

### **Internship Opportunity**

The Wasatch Front Regional Council (WFRC) prepares transportation plans and programs and coordinates land use across communities as the designated Metropolitan Planning Organization (MPO) for the majority of Utah's Wasatch Front. WFRC builds consensus and enhances quality of life by developing and implementing visions and plans for a well-functioning multi-modal transportation system, livable communities, a strong economy, and a healthy environment. In an effort to further WFRC's mission, the following internship position is available for 2026/2027 school year

**Job Title:** GIS / Data Scientist Intern

**Timing:** Oct 2026 - May 2027

**Hours/week:** up to 20 (with preference for Tuesday and Thursday onsite availability)

**Wages/Salary:** \$17.00/hour

**Qualifications:**

Undergraduate or graduate student in the field of urban planning, geography, data science, economic policy, and/or civil engineering. Proficiency with ArcGIS Pro is strongly preferred.

**Description:**

Work with the WFRC Analytics Group on a variety of projects that support regional mapping/analysis, travel demand modeling, and land use forecasting. Specific topics may include road, transit, and bicycle/pedestrian travel; housing, parcels, and land use plans; regional employment distribution; and economic development and regional quality of life. Skills and interests that may be called upon include: GIS and spatial analysis; Python coding and platforms for automating repeatable data processing tasks (R, SQL, ArcPro model builder, etc); statistics and modeling; and a general interest and understanding in urban/regional information systems.

If you are interested in this opportunity, please send a letter of interest and a resume to Kevrine Wells, Human Resources, by email at [kevrine.wells@wfrc.utah.gov](mailto:kevrine.wells@wfrc.utah.gov). The first review of applicants will begin with submissions received no later than 5 PM MST Monday, September 14, 2026. Position will remain open until filled. If you have any questions, you may call Kevrine at (801) 363-4250 x1122.
